[Diagnosing And Managing Headaches, 7th Edition Seymour Diamond](#)

New version! 4.5

What interactive study guide enhances this text and helps you do your best in psychology?
PowerStudy 4.5™

Created with you in mind, **PowerStudy 4.5™** is a dynamic study partner that further brings core concepts in psychology to life. Co-written by text author Rod Plotnik, **PowerStudy** actively involves you in your own learning, illuminating topics covered in this text's modules—and helping you improve your performance in psychology.

Each of **PowerStudy's** 14 Super Modules is a 40-50-minute interactive multimedia presentation. Ideal for visual learners, these self-paced, step-by-step media explorations include engaging animations and narration that clarify concepts.

For every other text module, the cross-platform DVD-ROM offers extensive study materials and activities, including interactive key terms, critical thinking questions, summary tests, and more.
